SAFE FOR

Recreational Ponds,
Horses, Livestock, Birds,
Pets, Fish, Wildlife
and the Environment.

Treats ¼ Acre Pond for 4 Months

Approximately 16 Scoops
Net Contents: 8 lbs • 3.6 kg

Why is EcoBoost™ so important for my pond's health?

Enhance Natural Bacteria, such as PondClear™, with EcoBoost™!

EcoBoost™ binds phosphates, and when combined with PondClear™, is a great one-two punch to create clean and clear water in any pond. EcoBoost™ is also great for fish, providing over 80 natural trace minerals to promote fish health and fast growth.

Eb EcoBoost™ Beneficial Bacteria Enhancer

HOW TO APPLY: Mix one scoop (included) of bulk powder in a clean pail with 2–3 gallons of pond water. If necessary, stir the solution until the water is completely brown. Evenly distribute this mixture by pouring it directly from the pail along the shoreline.

WHEN TO APPLY: Apply EcoBoost™ every 2 weeks when water temperatures are above 50° F, or at the same time PondClear™ is applied. Wait 3 days after an algacide and/or herbicide treatment to apply EcoBoost™.

QUICK DOSE CHART

Pond Size (surface acres)	Dosage Rates (every 2 weeks*)	Months of Treatment
Up to 1/4 acre	2 scoops	4
Up to 1/2 acre	4 scoops	2
Up to 3/4 acre	6 scoops	1.5
Up to 1 acre	8 scoops	1

*Apply at each PondClear™ application for maximum results.

WATER USE RESTRICTIONS:

EcoBoost™ may be applied to lakes and ponds used for irrigation and aquaculture. Water treated with EcoBoost™ may be used for recreation, fishing and other activities immediately after treatment. Safe for recreational ponds, horses, livestock, birds, pets, fish, wildlife and the environment. *Do not apply to water that will be used for human consumption.*
