all-in-one
digging rake

Weed Raker™

Get To The Root Of Your Lake or Pond Weed Problem

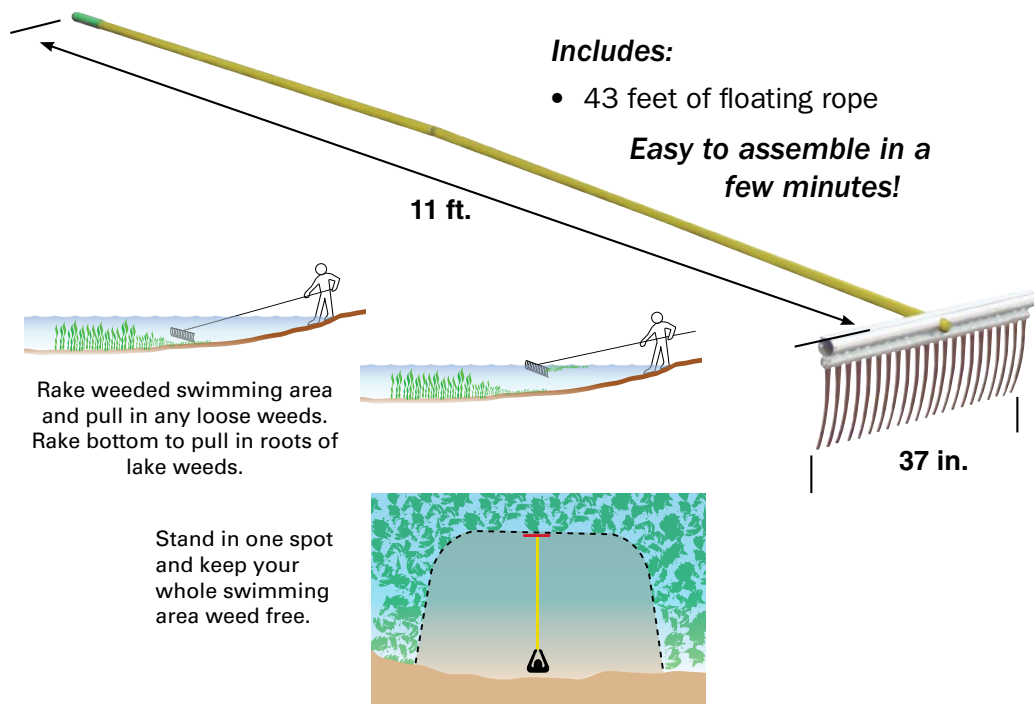

With the Weed Raker you can:

- Keep your lake bottom weed free and harvest your cut weeds.
- Keep your beach front free of weeds and debris.
- Remove decaying organic matter from your lake and pond bottom.
- Clean your beach, root up weeds and remove muck.
- Pull weeds in from 45 feet away.
- Weigh the hollow rake head down with rock to dig deep in the bottom.
- Collect large mats of floating debris with the super sized rake h

Includes:

- 43 feet of floating rope

*Easy to assemble in a
few minutes!*
